

## Englischsprachige Lehrkraft Grundschule (m | w | d)

For our growing Elementary School we are seeking a committed and qualified English-speaking primary school teacher (m | f | d). Applicants must be qualified primary school teachers.

Start Date: 21.08.2023

### The ideal candidate

- has a teaching qualification with a focus on Primary Education
- has a native command of English, speaking and writing the language at native or near-native level
- is able to develop students whose first language is not English
- is experienced in teaching heterogeneous learning groups
- has strong IT skills in order to fully utilise our well-equipped and modern school environment
- is enthusiastic, reliable, flexible, open to change and a good team player
- has a basic command of German or is willing to learn German

### Your area of responsibility

- class teaching in a range of subjects, including English, Mathematics and Science
- lesson planning in collaboration with other teachers
- focusing on student learning and development, differentiating and supporting as required in order to help students to reach their potential
- teaching heterogeneous groups (e.g. students with different linguistic backgrounds)
- pastoral responsibilities of a homeroom teacher
- reporting to parents and attendance of school events
- completion of other tasks that arise in an all-day school

### We offer

- significant opportunities to help shape the school's future
- a well-qualified, friendly and helpful international teaching team
- welcoming and open-minded German and international students who are keen to learn
- a family feel and strong bonds within the school community
- modern school facilities with digital technology
- an excellent location close to Frankfurt
- professional development
- a competitive salary + RMV jobticket

We look forward to receiving your complete application documents. Please use the application form on our website <https://accadis-bildung.de/de/karriere/>.
